

10/1 Review Assignment

Study your classmate's [class notes from 9/19, 9/15, 9/12](#) and be prepared to be quizzed on the following questions. I find that this student provides a model of good note taking.

1. What would interest an anthropologist?
2. The insights from Adam Smith's "Wealth of Nations."
3. How the "egg salad study" gives us psychological insights and inferences.

Review the first item listed in the 9/29 Reading Assignment (i.e., "Using my answer key. . .")
